Explanatory Memorandum to accompany the Annual Accounts of Income and Expenditure of the Cess year 1879-80.

A.—These original works were provided for in the budget estimate of the cess year 1878-79. The expenditure shown against each of these works during the year 1879-80 was incurred towards the close of the year 1878-79, out of the allotment of the latter year. But the regular accounts having been received and adjusted in the District Road Fund Office in the year 1879-80, the expenditure has been shown in the present annual account.

B.—The original budget allotment for this work was Rs. 600, but with the sanction of the Commissioner conveyed in his No. 181C, dated the 17th August 1880, Rs. 78 were transferred from this head to the head Soro to Gopinathpur road under "Repairs."

C.—The original budget allotment sanctioned under this head was Rs. 642. To this latter sum Rs. 23 were added under Commissioner's No. 149C, dated 8th July 1880, for sloping the banks of the Kundi river on the road from Bhadrak to Chandbali.

D.—The original budget allotment for this road was Rs. 550. To this sum Rs. 41-13-0 were added, *vide* Commissioner's No. 181C, dated 17th August 1880, and No. 256C, dated 12th October 1880.

E.—The original budget allotment for this road was increased by transfer sanctioned in Commissioner's No. 181C, dated 17th August 1880.

F.—The difference of Rs. 5-8-0 from the original budget allotment is due to transfer sanctioned in Commissioner's No. 256C, dated 12th October 1880.

G.—The original budget allotment was Rs. 200; Rs. 25 were afterwards added under Commissioner's No. 149C, dated 8th July 1880.

H.—The expenditure shown against each of the roads marked H. has exceeded the budget allotment. This excess is due to the fact that the expenditure incurred in the case of each of these roads towards the close of the year 1878-79 out of the allotment for that year has been included with the expenditure of the year 1879-80 as the accounts were received and adjusted during the latter year.

I.—The outstanding advances of last year having been adjusted during the year, the expenditure has exceeded the amount as per budget estimate.

H. G. COOKE,
Chairman.

No. 62C, dated Cuttack, the 14th February 1881.

From—A. SMITH, Esq., Commissioner of the Orissa Division,
To—The Secretary to the Government of Bengal in the Public Works Department, Fort William.

I HAVE the honour to forward herewith the annual accounts and reports of the several Road Cess Committees of this Division for the cess year 1879-80, for publication in the *Calcutta Gazette* under section 179 of the Cess Act, 1880.

2. The annual reports have been prepared in accordance with the instructions conveyed in Government Order No. 973A of the 14th September 1880.

3. The Chairmen report that the classification prescribed in Government Circular No. 201A of the 26th February 1880, has been observed in the preparation of the annual accounts. A slight departure is however apparent in the accounts of Balasore, where the items noted in the margin should have been shewn under "Stationery" instead of "Contingencies." The Chairman of the Committee will be told to strictly adhere to the instructions in future.

Price of stationery.
Do. of pencils.
Do. of ink for moburirs.
Cost of printing annual accounts and reports of Balasore District Road Fund for the Cess year 1877-78.

4. Duplicates of the accounts have been forwarded by the Chairmen direct to the Accountant-General as required by Government No. 201A of the 26th February last.

5. It will be seen in the Poorce accounts that the amounts shewn against sub-head "Miscellaneous" on the receipt side, and "Advances" under both the receipts and expenditure sides and against "Repairs, do not accord with the aggregate of the four quarterly returns, agreeably to paragraph 12 of the explanatory notes received with Government No. 178A of the 11th January 1878. The Vice-Chairman explains that this discrepancy is due partly to mistakes in the Accountant-General's Office in the compilation of the third and fourth quarterly returns, and partly to the fact that the refunds of expenditure that were eliminated from the third quarterly return under Government Circular No. 89A of the 5th December 1876, have been brought into the annual accounts under orders of the Examiner of Public Works Accounts. A copy of the Vice-Chairman's explanatory letter No. 27 of 24th January 1881, is enclosed for reference.

6. The estimated and actual receipts of the year compared with the receipts of the two previous years are shewn below:—

The Chairman of the Cuttack Committee explains that the heavy and incessant rains of last year interfered with the collections, which would otherwise, have attained the prescribed standard.

8. The sum of Rs. 4,428 shown under the head "Miscellaneous" includes the following Government contributions towards the joint Road Cess and Public Work Cess establishments sanctioned in Government No. 2 of the 31st January 1879 :—

10. The following statement shows the proposed and actual outlay on works during the year :—

DISTRICT.	ORIGINAL WORKS.				Total proposed.	Total actual.	Percentage.
	Proposed.	Actual.	Proposed.	Actual.			
	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.	
Cuttack	27,729	18 866	38,125	36,031	65,854	54,897	83·36
Pooree	15,145	9,815	4,340	4,710	19,485	14,525	74·55
Balasore	10,972	9,310	10,387	10 229	21,359	19,539	91·47
Total ...	53,846	37,991	52,852	50,970	1,06,698	88,961	83·38

11. The actual outlay on original works in Pooree fell short of what was proposed, owing partly to the works in connection with the road from Barabcooty to Pooree, proposed to be taken in hand not being carried out, and partly to a small portion of the allotment for the re-construction of the Delang bridge being spent during the year.

12. The following figures shew the expenditure incurred on village roads in each district during the year as compared with the expenditure of the previous year :—

DISTRICT.	Grants, 1879-80.	Expenditure, 1879-80.	Expenditure, 1878-79.	REMARKS.
	Rs.	Rs.	Rs.	
Cuttack	10,166	9,522	7,706	
Pooree	2,500	1,694*	784	* And not Rs. 1,692 0-3 as stated by the Chairman in his report.
Balasore	2,594	2,532	2,106	
Total ...	15,259	13,948	10,596	

13. It will be seen that the subject of village roads received greater attention in every district during the year. In Pooree, however, the expenditure on this head is unduly small. The Committee is inclined to devote an unduly large portion of its funds to expensive engineering schemes and the village roads do not receive adequate attention. It is reported that the people are steadily putting in applications for roads, a fact which shows that they have begun to appreciate the benefits of the cess.

14. All the roads in this Division are reported to be in fair working order.

15. The attention of the Chairmen of the Committees has been called to the points noticed in the inspection notes of the Deputy Examiner of Public Works Accounts, who inspected all the offices during the year.

16. The Cess Act is reported to have worked smoothly and to be popular.

17. The late Officiating Collector and Chairman of Balasore reports that the Committee have to depend for practical knowledge with regard to mofussil roads on the Chairman and the sub divisional officer of Bhadrak, all the members being residents of the town of Balasore. It is not understood why zemindars or other respectable tenure-holders or ryots living beyond the limits of the town have not been invited to join the Committee, and the present district officer will be asked to submit suitable nominations. It would, I think, be convenient if a Branch Committee were established at Bhuddruck. Branch Committees exist in all the other sub-divisions in the Division, and there seems to be no reason why there should not be one at Bhuddruck. To this point also the Chairman's attention will be called.

No. 27, dated the 24th January 1881.

From—BABOO KUMUD NATH MOOKERJEE, Vice-Chairman, Road Cess Committee, Pooree,

To—The Commissioner of the Orissa Division.

WITH reference to your No. 30C, dated 15th instant, I have the honour to state as follows :—

1. Miscellaneous receipt during third quarter should be Rs. 8-7 and not Rs. 7-15 as shewn below :—

	Rs.	A.	P.
April 1880	1	0	0
May ,, ...	0	8	0
June ,, ...	6	15	0
Total ...	8	7	0

2. Advance on the receipt side was not shown in the accounts during third quarter as the refunds of expenditure were deducted from the head of service concerned, under circular No. 89A, dated 5th December 1876. But as per subsequent instructions of the Examiner of Public Works Accounts, conveyed in his No. 160D, dated 17th February 1880, it should be Rs. 273-1-1 which stands thus :—

		Rs.	A.	P.
April 1880		13	8	0
May „		129	10	7
June „		129	14	6
Total ...		273	1	1

Similarly "advance" on the expenditure side during third quarter should be Rs. 865-7-11 and not Rs. 722-1-5 as shown below :—

	Rs.	A.	P.
April 1880	355	9	11
May „	298	7	6
June „	211	6	6
Total ...	865	7	11

3. Charges on repair work during fourth quarter should be Rs. 2,587-4-5 and not Rs. 2,457-1-10. The mistake was made in the Accountant-General's office in the compilation of the fourth quarterly return as will be seen from the figures shown in the monthly returns which stand thus :—

	Rs.	A.	P.
July 1880	25	0	0
August „	25	0	0
September „	2,537	4	5
Total ...	2,587	4	5

There being no such head as "Printing at private press" in the revised classification, the sum of Rs. 20-11-9 which was shown in the quarterly return under the head "Printing at private press" has been included under "Cost of forms" in the head "Contingencies" of the annual account.

Owing to the discrepancy above referred to in the third and fourth quarterly returns, the items referred to of the annual account did not accord with the aggregate of the fourth quarterly returns.
